

CUBE LINE C537T

TYPE	Lavapiatti porta frontale
LINE	CUBE LINE
BASKET	500x500
SIZE	585x680x815

Reliability and ease of use: these are the key words of the CUBE line. The control panel with buttons makes each function more practical than ever, showing great durability.

With the C537T dishwasher, you can wash both differently shaped and sized glasses and 18 dishes per cycle thanks to the supplied baskets, using a single 120 second cycle with a maximum productivity of 30 baskets/hour (540 dishes/hour); using the appropriate basket, you can also insert GN 1/1 baking trays.

The standard double electric rinse-aid and detergent dispenser ensures maximum hygiene at each wash cycle with great savings: the moulded washing and rinsing arms ensure reliability and durability. The bodywork is made entirely of AISI 304 steel and has been designed with all components in the front to allow easy technical assistance. Sturdy and reliable dishwashers to best deal with every moment of your day.

DISHWASHERS FEATURES	CUBE LINE C537T
